Subject: Conduct of BITSAT 2016

Dear Sir,

I am pleased to inform you that BITSAT 2016 online Test for admission were conducted successfully as per schedule. A Total of 149113 candidates appeared in these Test during 14th May - 26th May, 2016.

There were 178100 candidates scheduled across 58 centres with planned capacity of more than 8150 systems in each session, with 3 sessions in a day, there were maximum of 8365 candidates taking exam in single shift and more than 245000 candidates in Single Day with infrastructure and manpower arranged by Eduquity.

Once again, the collaboration between BITS and Eduquity made this possible. I am glad to note that all the students could take the test on the dates reserved by them and no tests had to be rescheduled. This is a repeat achievement after the success of earlier BITSATs. I thank you for the way in which your organization handled the responsibilities.

An operation of this magnitude was possible due to the dedicated efforts of your people and BITS team. You with your team have always been available for taking care of unforeseen challenges if any.

I once again congratulate you for the excellent support provided by Eduquity in the conduct of BITSAT online test and BITS HD test and look forward to continued collaboration between BITS and Eduquity.

With Regards,

Associate Dean

Dear Mr. Dhirendra,

BITS Pilani on its attaining the status of Deemed University in 1964, decided to conduct the admission test online starting from the admission to the Academic year 2005-2006.

BITS Pilani is the first such Deemed University to go for online admission test in the first year of its University Status and when looking for an agency for the conduct of BITSAT online examination, evaluated many proposals and selected Eduquity, due to their proven track record of conducting such examinations. Eduquity has been conducting the BITSAT since 2005 and administered the BITSAT online test to about 11, 20,000 candidates in last 10 years, and upto May 2014.

Sl. No.	Year	No of Candidates Scheduled
1	2005	55455
2	2006	68403
3	2007	83733
4	2008	116981
5	2009	123824
6	2010	138971
7	2011	123403
8	2012	136706
9	2013	165944
10	2014	186168
	Total	1199588

BITS Pilani would like to commend the excellent way in which Eduquity has conducted the examinations for last 10 years across the country, with very high professional competency. We appreciate the dedicated effort of your team and the team spirit while working with BITS Pilani Team.

We thank you and your team once again and look forward to a long lasting relationship with your organization in the time to come.

Dear Mr. Dhirendra,

The **BITSAT online tests** for admissions to BITS, Pilani are being successfully conducted for the last three years now. When it was introduced in 2005, it was a '*First-of-its-kind*' in India considering the kind of technology used, the number of candidates who took the tests and the spread across the country. BITSAT has now become a well known national level test.

When BITS was looking for a partner to collaborate in the implementation of BITSAT, we evaluated many proposals and finally selected your company. I am glad that your company has taken this task in a mission mode right from the beginning. I would like to congratulate you and the Eduquity team across the country for helping BITS in successfully conducting the BITSAT entrance exam at different centers all over India during May/June every year.

I would like to commend the excellent arrangements made by Eduquity at the different centers and the manner in which the exam was initiated, conducted and proctored. I also appreciate the team spirit exhibited by the BITS faculty and the Eduquity members. It was particularly gratifying to note that not even a single student went back without taking the exam in all the centers. That is indeed a magnificent achievement.

As you are aware, we wanted the whole process of admissions web enabled and your technical team provided the required software as per our specifications dealing with online application procedure, challan payment procedure, etc. The software for the BITSAT involved activities such as Online Hall ticket printing, and post test processing such as merit preparation, etc. The software for question bank management met all the requirements in terms of robustness and security.

We believe that BITSAT will act as a front runner for several other Institutions to follow. On behalf of all at BITS Pilani, thank you once again and we look forward to several years of association with you.

Best wishes and regards,

Yours sincerely,

F) Detailed Description of Solution

The entire Online Examination system calls for many servers as below:

1. Question bank Server

While we have our own infrastructure at our premises, we request the client to provide a secure environment including a secure room with restricted access and facility to place one server, one 8 port switch and 4-5 work stations. We provide the server and the switch. The clients generally provide the client machines for data entry. If required we can provide the same. This server shall not have any external connectivity unless the client requires Question bank entry to be made available to select Subject matter experts through Internet.

Minimum Configuration of server:

Hardware:

Processor : Intel i3 and above

RAM : 4 GB and above

Hard Disk : 80 GB

Software:

OS – Windows 2008 and above with latest updates with 32 bit enabled

MS SQL Express 2008 R2 or above

Antivirus

IIS to be configured

MS Office with Ms Word, Excel

2. Minimum Back Up server for QB

This will be a back up server and the data is copied from main Question bank server at regular Intervals.

Configuration of server:

Hardware:

Processor : Intel i3 and above

RAM : 4 GB and above

Hard Disk : 80 GB

Software:

OS – Windows 2008 and above with latest updates with 32 bit enabled

MS SQL Express 2008 R2 or above

Antivirus

IIS to be configured

MS Office with Ms Word, Excel

3. Application Server

This server is the heart of all the systems. Entire software resides in this server which is installed at the client premises when the software is customized and ready to roll out.

Minimum Configuration of server:

Hardware:

Processor : Intel i3 and above

RAM : 4 GB and above

Hard Disk : 80 GB

Software:

OS – Windows 2008 and above with latest updates with 32 bit enabled

Antivirus

IIS to be configured

4. Back Up server for Application Server

This is a back up server and all the developments of Application Server are copied in this server.

Minimum Configuration of server:

Hardware:

Processor : Intel i3 and above

RAM : 4 GB and above

Hard Disk : 80 GB

Software:

OS – Windows 2008 and above with latest updates with 32 bit enabled

Antivirus

IIS to be configured
