

Goal 1: End poverty in all its forms everywhere

Poverty is a multi-dimensional phenomenon. It not only indicates the lack of income or access to resources but it also manifests in the form of diminished opportunities for education, hunger and malnutrition, social discrimination and the inability to participate in decision-making processes. Eradicating poverty in all its forms remains one of the greatest challenges before the mankind.

This Goal has 7 targets to measure the progress of nation in ending poverty, in all its forms, from everywhere. A total of 21 indicators have been identified at national level to measure and monitor the progress of these targets and data is available for 19 indicators.
